She go to school through the day, but in the night, she go up  
And when I walk in with this ice, I guarantee she gon' f\*ck

She gon' shake that ass like she want her a purse  
She gon' shake that ass like she want her a purse  
She gon' shake that ass like she want her a purse  
And I know she wanna f\*ck 'cause I pull up in a Vert  
She gon' shake that ass like she want her a purse  
She gon' shake that ass like she want her a purse  
She gon' shake that ass like she want her a purse  
And I know she wanna f\*ck 'cause I pull up in a Vert (Woah, woah, let's go)

Lil' mama tryna get a bag, she done came out her skirt  
Just made it rain up in the club, yeah, we the ones flood the surf  
Used to sell bags, but now I'm in my bag, got rich off these verses
