

Dylan's Song

Bigwig

you were only 18 when you went to your university now i've found someone else someone just like me now i'm alone and by myself without anyone to blame i can't help falling in love i'm still in pain now maybe you won't have to put up with my shit it won't ever be the same be the same it's always been i won't say i love you do you feel the same about me all alone i'm still in pain and i won't say i love you cause i don't really want to i won't be around you no i won't and i won't say i love you but i can't stay away from you do you feel the same about me all alone i'm still in pain
