I heard your lil partner got shot up but I didn't do it, nigga  
2 deep in the coupe we shot shit up  
And then we threw him, nigga  
I be takin trips all in LA like I'm a Bruin, nigga  
Think he can't be touched  
We snatched his chain I bet he get the picture  
Say he never rat but then he told  
And now he walkin' different
