

New Day

BigXthaPlug

Ayy
Yeah
Let's go
Ayy
Taliban shit, I care to big business
Ayy

See, we really be gettin' these bags, had to beat up the pot just to get it the fast way
We been smokin' that pressure pack straight out the bag so we really don't k now what the gas weigh
I been up for a minute, don't know how I did it, just pray to the Lord on a bad day
Nigga reach for this chain, my lil' partna gon' kill 'em, no trippin', he kn ow that the cash paid
Only hang with the drillers and killers and dope boys so it ain't goin' that way
I had to switch up just to show that I'm tough, I can't beef with a bitch 'l ess the bag paid
Them lil' niggas ain't slidin' or ridin' for shit, they lil' partna got kill ed and we all safe
Nigga run in my shit, I'ma dump the whole clip, I'ma go out like Cleo or Sca rface

Bitch, it's the new wave, new plays each and every day
New Glocks and we got a new safe, ayy
New dub comin' straight off the plate, finna give it away to the freaks for a taste, ayy
Finna smoke a whole zip to the face, I can't come to yo' club 'less my stick in the place
Had a show out in Tyler, was full of them Dracs, don't play, lil' ho, lotta sticks in yo' face, ayy

See, we winnin' the race, we ain't never been last
We was always top five on a bad day
Taliban took me in but I'm really 600, I still bang the set when the flag wa ve
These lil' niggas be tweakin', you know that I keep it
I stay with the heat at the Mavs game
Before all of this rappin', a nigga was snappin' but this shit gon' make sur e we all paid
I be peepin', they envy, these boys feelin' shitty like how you gon' smile w ith a mad face?
Had to get up and get it and now we done did it
Remember hittin' licks off of Backpage
We been steppin' on niggas way since the beginning
Was always in Blitz with a bald fade
Started off in the Grove and then left out the city
Now I'm in the north and we all straight

Bitch, it's the new wave, new plays each and every day
New Glocks and we got a new safe, ayy
New dub comin' straight off the plate, finna give it away to the freaks for
a taste, ayy
Finna smoke a whole zip to the face, I can't come to yo' club 'less my stick
