A scammer whatever to make me that nigga

Shit now I file taxes they take 7 figures

You still want it all?

Peep the life that we living

We got all these diamonds

This money is endless

No kidding just come join the team be a witness

Aye it's a good day all these sticks on me like a hood day

Member punching on niggas at canaday

Can't lil boy me I'm the man today

Aye less go

Went and iced-out my wrist now I'm froze

I just wanna rock wanna roll

I just wanna rock wanna roll

Aye

Make it roll like the 80s did dope

I'm outrageous just spent 20K on a coat

Can't trip off a bitch but I'll trip 'bout the loaf

Make a toast 'cause we really been doing the most

Don't care 'bout the budget it's 40 a show

I can't go if I can't get my strap in the door

Can't come to your crib if a nigga can't smoke

You a joke and you can't tell me nun if you're broke

Think he better than me then that nigga off coke

If you not really "street" better watch where you poke

Yeah, my aim is elite if you know then you know

I'm the type that'll smoke your ass go do a show

Still drinking lean that's the way that I cope

With the fact that these niggas is leeches and hoes

Let 'em turn gangster he getting exposed

Heard he froze when they robbed his homeboy for his dope

Aye it's a good day all these sticks on me like a hood day

Member punching on niggas at canaday

Went and iced-out my wrist now I'm froze
