

# The Largest

BigXthaPlug

(Tony Coles)

Ayy (Let the band play)

Safe to say I'm the biggest, the largest  
Been steppin' on shit since my mama stayed in them apartments, regardless  
My daddy told me keep the heat even when I'm in foreigners, I'm heartless  
'Cause these niggas is hatin' on me just because I'm the biggest, the largest

The biggest, the largest

30K on my wrist just for hard times  
These niggas just mad 'cause they bitch in my archives  
Jordan came back, throw the 45  
If you play, then you lay right there by yo' own kind  
Pour up a four in a Loko  
Tell 'em run this bitch back like Soso  
Got rap shit here in a chokehold  
Did a show out in Austin, shoutout to Bobo  
Moved out the trenches, now look how we live  
Told my BM to furnish the crib  
Walk out the mall with some shoes for the kids  
Deposit a check, shit, my bank full of M's  
Paid up my rent, now I'm up for the year  
The view look crazy from here  
What I paid for some dogs, could've bought me veneers  
Texas piece on my neck, could've bought your career

Ayy, stuffin' Cali' plug weed in the blunt  
Let my lil' brother roll him a Dutch  
My lil' boy get whatever he want  
Madam T don't be askin' for much  
Pourin' lean on the nuggets of runtz  
Spill the rest of that drank in a punch  
Left wrist on some "I had to stunt"  
Right wrist, I just did it because  
600 the label, you know we comin'  
Tell them niggas they ain't takin' nothin'  
Standin' on business, we shootin' or punchin'  
Hatin'-ass nigga, go get you some money  
I just got off a tour, finna go on another one  
Album done, finna drop me another one  
Couple of M's, finna run up another one  
Super Bowl rings, shit, I had to go double 'em
