(Tony Coles)

So how have you been, BigX?

Ayy

See, I been doin' well, not great, but good
Can't complain, I got more than I should
Been a while since I thugged in the hood
I'm just hopin' my folks understand
I done hit every state, I'm just tryna get to it
Anyways, guess they likin' my music
I just did a show called Bonnaroo
Had like eighty-some thousand folks jammin' and groovin'
So how are your kids?
I can't even lie
When I be away from 'em, I cry
'Cause I love 'em the most, I would hate for 'em ever to say that they daddy
wasn't right on they side
But for real, my lil' nigga be fly
He been dressin' himself, well, he try
And my daughter so pretty, look just like her daddy
And shit, I be tellin' her niggas gon' die
And your family?
My people been straight
Tryna put food on all of they plates
Shit, I been goin' harder, I guess now they seein' this shit
'Cause before, they thought I just switched lanes
Until I start buyin' ice and keepin' on lights
Now they see that this shit is way bigger than likes
No more judgement
Shit, I know that that's right, okay, what 'bout your team?
This shit bigger than life, it's a movie damn near every night
We been poppin' these bottles to represent life
'Cause, shit, we was just broke, I mean ain't have a dollar to split
We kicked doors 'til we finally got right
So you still smokin' squares?
Ain't gon' lie, I been stressin'
Tryna give everybody a blessing
You don't know how it feel to have everything everyone want, swear this shit
can get hectic
But I swear I been tryin' to quit
Make one more half a mil' and I swear that that's it
I done spent 7K on cologne that's expensive as fuck
So I guess I can give up the stick
So life's good?
No, I ain't sayin' that
But I'd never give none of this back
Yeah, I lost a whole lot on the way, but if I'm bein' honest, I'm good right
here where I'm at

Alright, think this was a good session

Gave us a lot to think about

Uh, same time next week?
