

Brighter Day

Biig Piig

I watch you fade away
I'm no stranger to change
Just hoping that tomorrow's sun
Might bring a brighter day
I watch you fade away
With nothing left to say
Hoping that tomorrow's sun
Might bring a brighter day

I watch you fade away
I'm no stranger to change
Just hoping that tomorrow's sun
Might bring a brighter day
I watch you fade away
With nothing left to say
Just hoping that tomorrow's sun
Might bring a brighter day
A brighter day

Tears roll on to this t-shirt of mine
Gotta keep my head up, gotta give it time
You've moved on, but this isn't goodbye
Know one day I'll see you on the other side

There might be clouds
There might be days you're not strong
But you're not alone
You're not alone

I watch you fade away
I'm no stranger to change
Just hoping that tomorrow's sun
Might bring a brighter day
I watch you fade away
With nothing left to say
Just hoping that tomorrow's sun
Might bring a brighter day
A brighter day
