

Decimal

Biig Piig

No sé a dónde vamos, amor, me da igual
Si te tengo aquí al lado
Sabes así nada me faltará
Con tus labios por mis labios

You changed the tide
Your lips on my lips
There in the shadows
It came over me

I want a change of pace, raise it a decimal
I need the walls to shake, need you to take control
You don't know what you do, no
You don't know what you do to me
Baby, I can't escape, it's not the alcohol
That makes me feel this way, want you to take me home
You don't know what you do, no
You don't know what you do to me

Aquí hemos pegado tus besos como miel
Por la noche nos bailamos
Tus manos suave' recorren mi piel
Tus labios por mis labios

You changed the tide
Your lips on my lips
There in the shadows
It came over me

I want a change of pace, raise it a decimal
I need the walls to shake, need you to take control
You don't know what you do, no
You don't know what you do to me
Baby, I can't escape, it's not the alcohol
That makes me feel this way, want you to take me home
You don't know what you do, no
You don't know what you do to me
You don't know what you do to me
You don't know what you do to me
