

FUN

Biig Piig

It's always push and pull with us
Is that love to you?
Is that love?
You always take the piss
Wind me up
Is that fun to you?
Is that fun?

Is that fun to you?
Is that fun?

Is that fun to you?
Is that fun?

How can you say your piece that you're not
Are you done, are you?
Are you done?
Give it a rest
You scream top of your lungs
Is that fun to you?
Is that fun?

Is that fun to you?
Is that fun?

Is that fun to you?
Is that fun?

Fun fun

Is that fun to you?
Is that fun?

Is that fun to you?
Is that fun?

Is that fun to you?
Is that fun?

Is that fun to you?
Is that fun?
