

# Kerosene

Biig Piig

He's pouring gasoline  
Two steps ahead of me  
I told him, "Baby please  
Come set it all alight."

You know to set the scene  
Maybe it's meant to be  
'Cause I don't usually  
But I want you tonight

Oh, daddy  
Oh, oh, daddy  
Oh, oh, daddy  
Oh, daddy (I want you tonight)  
Oh, daddy  
Oh, oh, daddy  
Oh, oh, daddy  
Oh, daddy (I want you tonight)

Now you set the tone  
I can't let it go  
Craving kerosene

Let's do cardio  
Take a video  
Make a star of me
