Nothing Changes

Nothing Changes
Every day's the same
Running round in circles tryna clear my name

Nothing Changes
Every day's the same
Running round in circles tryna clear my name

Give me one more - (one more)

Nothing changes every day's the same
Running round in circles tryna clear my name

Nothing changes every day's the same
Running round in circles tryna clear my name

Ooooh

At the bottom of the bottle
I'm in trouble again
There's a light across the tunnel
I just can't see the end
When you found me in the rubble
All I need is a friend
See I'm a lot of love
But not enough to keep him content

It's like I'm running out of time
But I'm stuck on a loop
And my pride gets in the way
Says I've got nothing to prove
But man the days are getting colder
And I'm mourning the eve
Cause every second I'm no different
He's more likely to leave

Nothing Changes every day's the same
Running round in circles
Tryna clear my name

Nothing Changes every day's the same
Running round in circles
Tryna clear my name

(Does it ever get boring)
I know that I could
(Does it ever get boring)
Change for you you'd wait oh
(Does it ever get boring)
Depends how we left it
(Does it ever get boring)
I can't be so truthful
(Does it ever get boring)
You keep me awake I
(Does it ever get boring)
I need to embrace love
(Does it ever get boring)

I just need to trust
But I keep being fooled
I keep being fooled
I keep being fooled

Nothing changes every day's the same
Running round in circles tryna clear my name
Nothing changes every day's the same
