Biig Piig

What's your name?
Where did you come from?
I've got this place all on my lonesome
That's right
Glad you came
Aren't you handsome?
Let's have a drink, isn't it more fun?
That's right

I can see his body through
Candlelight, candlelight
That's right
I can see his body through
Candlelight, candlelight, candlelight
My guy

Where's your Jane?
Left you astray, huh?
Follow me in, that's what you came for?
Alright
Let me chase
Tell me I'm no one
Playing this game, isn't it more fun?
That's right

I can see his body through
Candlelight, candlelight
That's right
I can see his body through
Candlelight, candlelight, candlelight
My guy

I can see his body through
Candlelight, candlelight
That's right
I can see his body through
Candlelight, candlelight, candlelight
My guy

What's your name?
Where did you come from?
I've got this place all on my lonesome
