

# This Is What They Meant

Biig Piig

Yeah I miss you like  
I wanna stay there, where we went last night  
When you showed me the city  
Something in your eyes  
Made me feel safe here  
I miss you like I don't wanna go

Kisses on my neck  
I forget the last time I felt this warm  
This is what they meant when they said  
That love can be selfish  
I couldn't help it  
Yeah, I'm all in and I don't mind  
I don't care about tomorrow  
This is what they meant when they said  
That love can be selfish, I couldn't help it

Feel like you're the type I'd run away with  
Leave it all behind  
Oh time means nothing to me  
When I'm by your side  
You know you're my favourite  
Do you miss me like we've found something to lose

Kisses on my neck  
I forget the last time I felt this warm  
This is what they meant when they said  
That love can be selfish  
I couldn't help it

Yeah I'm all in and I don't mind  
I don't care about tomorrow

This is what they meant when they said  
That love can be selfish  
I couldn't help it

Kisses on my neck  
I forget the last time I felt this warm  
This is what they meant when they said  
That love can be selfish  
I couldn't help it

Yeah I'm all in and I don't mind  
I don't care about tomorrow

This is what they meant when they said  
That love can be selfish  
I couldn't help it
