

## Get Out

Bikini Kill

My house is built on your world  
Your world is my house  
I want you out of me

Don't try to change my mind  
Don't you even fucking try  
You always try to sway my head  
I just wanna play alone

Get out!  
Woah  
Get out  
Now!

My house is built on your world  
Your world is my house  
I want you out of me

Out!  
Get out  
Whoa!  
No!
