

## Why

**Bikini Kill**

I said in the corner of his room  
Can't take it away, can't take it away  
On every shoulder I will mourn for you  
I loved you now it's time to die  
Why? Why? Why?

I tried so hard it seems  
To figure out what you'd need  
Why didn't you just tell me  
You didn't want me anymore?  
Why? Why? Why?  
Why?
