

# Lights Off

Bilal Hassani

"Why are my lights turned off?  
I need to check, someone's knocking on my door  
If you like it, you're gotta get cut off"  
My neighbor told me as I pushed him on the floor

Days like disco bar  
Yeah, it was all the same  
Nobody is to blame  
And I can feel the shame  
Ooh, nah, nah, nah  
I did bad things, can't deny  
But take a closer look, carefully read the book  
You'll find a holy truth  
Ooh, nah, nah, nah

You could say that I'm a criminal  
That I did it with a smile (Did it with a smile)  
You could punish me with all you got  
But you can't go back in time

"Why are my lights turned off?

If you like it, you're gotta get cut off"  
My neighbor told me as I pushed him on the floor

My neighbor told me as I pushed him on the floor

Oh, oh-oh, oh, oh, oh-oh  
Oh-oh, oh, oh, oh-oh  
Oh-oh, oh, oh, oh-oh  
My neighbor told me as I pushed him on the floor

Got to stay in my house  
But let's just get my way, maybe I couldn't pay  
I had to face the fame  
Ooh, nah, nah, nah  
Letters on my doorstep (La-la-la-la-la-la-la)  
I wouldn't open them, I couldn't play the game  
I had to run away, na-na, na-na, na

You could say that I'm a criminal (Oh)  
That I did it with a smile (Did it with a smile)  
You could punish me with all you got  
But you can't go back in time (Ow!)

"Why are my lights turned off?

My neighbor told me as I pushed him on the floor

Oh, oh-oh, oh, oh, oh-oh

Oh-oh, oh, oh, oh-oh  
Oh-oh, oh, oh, oh-oh  
My neighbor told me as I pushed him on the floor

Think I made a big mistake, I wish I could just disappear  
My hands are not so filthy, I could cry right in the second  
I know we've both  
I swear I didn't mean it, but damn, it just felt so right  
I also have to stand in to attend  
And if I miss it, they gon' talk about it  
But after all, it's better this way  
I forget to put it on and I don't wanna see their faces  
I could skip going to places  
My life needed this after all  
I could just lay in my bed and snore  
What was I talking about?

"Now all my lights are on  
And I won't check when he knocking on my door  
I didn't pay it, I don't wanna get cut off"  
I told my neighbor as I pushed him on the floor  
"Now all my lights are on  
And I won't check when he knocking on my door  
I didn't pay it, I don't wanna get cut off"  
I told my neighbor as I pushed him on the floor

Oh, oh-oh, oh, oh, oh-oh  
Oh-oh, oh, oh, oh-oh  
Oh-oh, oh, oh, oh-oh  
I told my neighbor as I pushed him on the floor  
Oh, oh-oh, oh, oh, oh-oh  
Oh-oh, oh, oh, oh-oh  
Oh-oh, oh, oh, oh-oh  
My neighbor told me as I pushed him on the floor
