

Zimmer mit Blick aufs Meer  
So much Love in the Air,  
Was willst du mehr?  
Wir zwei verlieren uns doch  
Wir zwei verlieren uns doch  
Nicht mehr

Soft!  
Du prickelst so soft!  
Süßes sei soft zu mir!  
Soft!  
Eiskalt und so soft!  
So fresh und so soft!  
Es perlt an deiner Haut  
Also mach dich auf!  
Softdrink

Du bist so attraktiv  
Das ist wohl deine Taktik  
Legst dich plakativ  
Vor meine Optik  
Bringst du mich wieder durch?  
Bringst du mich wieder durch  
Die ganze Nacht?  
Sweet, sweet Love

Soft!  
Du prickelst so soft!  
Süßes sei soft zu mir!  
Soft!  
Eiskalt und so soft!  
So fresh und so soft!  
Es perlt an deiner Haut  
Also mach dich auf!
