

Lowest Form

Bile

You are my life, my phantom god.
You've got all I desire.
You're not me, that's the strongest point of you.
Abnormal lust, infects my blood.
You are all I admire.
I am the lowest form of you.
Piss all over me, I piss all over you.
Despise my life, 'cause I'm not you.
I know that I'm a liar.
I am the lowest form of you.
I beat myself for you.
I give myself for you.
I'll do anything to, anything to meet you.
I'll lose myself for you.
I end myself for you.
I'll do anything to, anything to make you...piss all over me.
I am the lowest form of you.
