

From a Jack to a King

Bill Anderson

From a jack to a king from loneliness to a wedding ring
I played an ace and I won a queen and walked away with your heart
From a jack to a king with no regrets I stackled the cards last night
The Lady Luck played her hand just right to make me king of your heart
For just a little while I thought that I might lose again
Then just in time I saw the twinkle in your eye
From a jack to a king from loneliness to a wedding ring
I played an ace and I won a queen you make me King of your heart

For just a little while...
