

Still

Bill Anderson

(Still) though you broke my heart
(Still) though we're far apart
(I love you still)
(Still) after all this time
(Still) you're still on my mind
(I love you still)

I've lost count of the hours and I've lost track of the days. I
n fact, I've lost
Just about everything since you went away. Everything, that is,
except the mem'ries you
Left me. And that's one thing that no one can mar. I don't know
who you're with; I
Don't even know where you've gone. My only hope is that some da
y you might hear this
Song and you'll know that I wrote it especially for you. And I
love you, wherever you
Are.

(Still) after all this time
(Still) you're still on my mind
(I love you still)

This flame in my heart is like an eternal fire, for every day i
t burns hotter and
Every day it burns higher. And I haven't been able to put out o
ne little flicker, not
Even with all of these tears. My friends think I'm crazy and ma
ybe I am. But I'll carry
This torch just as long as I can, for some day, you might just
decide to come home and I
Want you to know I'm still here.

(Still) though you broke my heart
(Still) though we're far apart
(I love you still)
