

Just Like A Woman

Bill Medley

Nobody feels any pain, tonight as I stand inside the ring
Everybody knows that baby's got new clothes
But lately I see her ribbons and her bows
They have fallen from her curls

And she takes just like a woman
She makes love just like a woman
She aches just like a woman
But she breaks just like a little girl, yeah, she does

Oh, Queen Mary, she is my friend, I believe I'll go see her aga
in
And no one has to guess that baby can't be blessed
'Til she finally sees that she's just like the rest
With her fog, her Amphetamines and pearls, Lord

Yeah, she takes just like a woman
She makes love just like a woman
Yeah, then she aches just like a woman
Oh, but she breaks just like a little girl

Well, it was raining there at first
I was dying there of thirst, so, I came in here, yes I did
And your long time curse hurts but what's worse
God, it's this pain in here, I can't stand here
I can't make it clear that I just can't fit

I believe that it's time for us to quit, yes and
And when we meet again and we're introduced as friends
Please don't let on that you
You knew me when I was hungry and it was your world

Yes, you fake just like a woman
You make love just like a woman
Then you ache just like a woman
But you break just like a little girl
Yes, you break just like a little girl, oh, just a little girl
