When My Blue Moon Turns To Gold Again

Bill Monroe

Memories that linger in my heart Memories that make my heart grow cold Maybe we can live again, sweetheart And my blue moon again will turn to gold

When my blue moon turns to gold again And the rainbow turns the clouds away When my blue moon turns to gold again You'll be back within my arms to stay

The lips that used to thrill me so, Your kisses were meant for only me. In my dreams they live again, sweetheart, But my golden moon is just a memory.

When my blue moon turns to gold again And the rainbow turns the clouds away When my blue moon turns to gold again You'll be back within my arms to stay

The castles we built of dreams together Are the sweetest stories ever told But in my dreams they live again, sweetheart And my blue moon again will turn to gold

When my blue moon turns to gold again And the rainbow turns the clouds away When my blue moon turns to gold again You'll be back within my arms to stay
