Affected By The Towns

Bill Wyman

It's a hard life People get affected By the towns they're in She gave her man a chance Who never had a man Hard life Now she lives in Canter berry As long when she can Hard life She fell in love and killed a mistress She was just a kid Hard life Until that first in ten months At least she said she didn't It's a hard life Hope that baby, baby, it's a sin Never be a loser 'cause the losers never win It's a hard life People get affected By the towns they're in She dressed in leather When she went to Leatherhead Hard life And when she went to bed Thought she never went to bed Hard life She said she went ahead And then she tried to get ahead Hard life Get her heading head and lay off I think that's what she said It's a hard life Hope that baby, baby, it's a sin Never be a loser 'cause the losers never win It's a hard life People get affected By the towns they're in Money won't change her Money won't change her Money won't change her She's funny about money But money won't change her Hope that baby, baby, it's a sin Never be a loser 'cause the losers never win It's a hard life People get affected

By the towns they're in We went to Sunnyland And never saw the sun Hard life And ended up in dungeons And it really isn't done Hard life We had a week in Lester And liked it more or less Hard life And then we went to Preston And someone told the press It's a hard life Hope that baby, baby, it's a sin Never be a loser 'cause the losers never win It's a hard life People get affected By the towns they're in It's a hard life People get affected By the towns they're in It's a hard life People get affected By the towns they're in It's a hard life People get affected By the towns they're in
