

Feet

Feet

Don't desert me now
Just help me keep my vow
To walk away from my baby

And now stop waving in the air
Pretending you don't care
Because you just gotta save

She put the hurt on me
One too many times
And if I don't defend myself
I won't be worth a dime

So feet
Deep down in my shoes
I'm depending upon use
To walk away from my baby

And mind
Stop changing back to false
Stop throwing self a lot
Stop coming up with maybe

She's trying to hang me
If I give her enough rope
I gotta wash my hands from that woman
But I can't seem to find the soap
So feet
Move on down the line (feet)
Try to find some sunshine (feet)
Find a way from my baby (feet)

She never listens
To a word I said
She used to get me so excited
Then she kicked me out of bed

I said feet (feet)
Move on down the line (feet)
Try to find some sunshine (feet)
Find a way from my baby (feet)

Feet (feet)
Feet (feet)
Feet (feet)
Come on feet

Feet
Feet
Feet
Feet
Feet
Feet
Feet
Come on feet now!
