

Get It On

Bill Wyman

Get it on
Its a real nice feeling
Get it on

Get it on
Its a real nice feeling
Get it on

Searching in the fog
You know you're gonna find one
You dirty dirty dog

Get it on
Its a real nice feeling
Get it on

Get it out
Its a real nice feeling
Get it out

Get it out
Its a real nice feeling
Get it out

Get it out the window
The moon shines bright
You must find out
So leave it out
Get it out
Its a real nice feeling
Get it out

Get it in
Its a real nice feeling
Get it in

Get it in

Its a real nice feeling
Get it in

Just get it in
Its a real nice feeling
Get it in

Get it in
A real nice feeling
Get it in

Get it in
A real nice feeling
Get it in

Get it in
Its a real nice feeling
Get it in
Places in the world

Dawn it as a sin
Up and where its going
But you know where its been

Get it in
Its a real nice feeling
Get it in

Places in the world
Dawn it as a sin
Up and where its going
But you know where its been

Get it in
Its a real nice feeling
Get it in
