

Bad

Billie Eilish

Your butt is mine, I'm gonna tell you right
Just show your face in broad daylight
I'm telling you on how I feel
Gonna hurt your mind, don't shoot to kill
I'm giving you on the count of three
To show your stuff or let it be
'Cause I'm telling you just watch your mouth
I know your game what you're about

But they say the sky's the limit
And to me that's really true
But, my friend, you've seen nothing
So just wait 'til I get through

Because I'm bad, I'm bad, come on
You know I'm bad, I'm bad, you know it
You know I'm bad, I'm bad, I'm really really bad
And the whole world has got to answer right now
Just to tell you once again
Who's bad?

The word is out, you're doing wrong
They're gonna lock you up before too long
Your lying eyes gonna tell you right
So listen up, don't make a fight
Your talk is cheap, you're not a man
You're throwing stones to hide your hands

But they say the sky's the limit
And to me that's really true
But, my friend, you've seen nothing
So just wait 'til I get through

Because I'm bad, I'm bad, come on
You know I'm bad, I'm bad, you know it
You know I'm bad, I'm bad, I'm really really bad
And the whole world has got to answer right now
Just to tell you once again
Who's bad?
