

listen before i go

Billie Eilish

Take me to the rooftop
I wanna see the world when I stop breathing
Turning blue
Tell me love is endless
Don't be so pretentious
Leave me like you do

If you need me
You wanna see me
You better hurry
'Cause I'm leaving soon

Sorry can't save me now
Sorry I don't know how
Sorry there's no way out
But down

Taste me
These salty tears on my cheeks
That's what a year long headache
Does to you
I'm not okay I feel so scattered
Don't say I'm all that matters
Leave me, deja vu

If you need me
You wanna see me
You better hurry
'Cause I'm leaving soon

Sorry can't save me now, sorry
Sorry I don't know how, sorry
Sorry there's no way out, sorry
But down
Down

Call my friends and tell them that I love them
And I'll miss them
But I'm not sorry
Call my friends and tell them that I love them
And I'll miss them
Sorry
