

# NDA

Billie Eilish

Did you think I'd show up in a limousine? (No)  
Had to save my money for security  
Got a stalker walkin' up and down the street  
Says he's Satan and he'd like to meet  
I bought a secret house when I was seventeen (Hah)  
Haven't had a party since I got the keys  
Had a pretty boy over, but he couldn't stay  
On his way out I made him sign an NDA, mm  
Yeah, I made him sign an NDA  
Once was good enough  
'Cause I don't want him having shit to say-ay, ayy, ayy, ayy-  
ayy

You couldn't save me, but you can't let me go, oh, no  
I can crave you, but you don't need to know, oh-oh

Mm-mm, mm-mm

Thirty under thirty for another year (Another year)  
I can barely go outside, I think I hate it here (Think I hate i  
t here)  
Maybe I should think about a new career  
Somewhere in Kaua'i where I can disappear  
I've been havin' fun (Fun, fun, fun) gettin' older now  
Didn't change my number, made him shut his mouth  
At least I gave him something he can cry about  
I thought about my future, but I want it now, oh-oh  
Want it now, mm-mm-mm  
You can't give me up

You couldn't save me, but you can't let me go, oh, no  
I can crave you, but you don't need to know, oh-oh

Did I take it too far? (Did I take it too far?)  
Now I know what you are (Are)  
You hit me so hard (So hard)  
I saw stars (I saw stars)  
Think I took it too far (Too far)  
When I sold you my heart (My heart)  
How'd it get so dark? (So dark)  
I saw stars (I saw stars)  
Stars (Stars)
