

# True Blue

Billie Eilish

Lights out  
You're not here holding me  
I count  
Every tear down my cheek  
Instead of sheep

Sleepwalk  
Find myself on your street  
Three knocks  
Ring the bell then I leave

I try  
To live in black-and-white but I'm so blue  
I'd like  
To mean it when I say I'm over you  
But that's still not true

Cold days  
Frozen lake in the park  
Old ways  
Made mistakes, made our marks  
Now we've gone dark

Bad dreams  
Might not mean anything  
But you seem  
Not to need anything

I try  
To live in black-and-white but I'm so blue  
I'd like  
To mean it when I say I'm over you  
But that's still not true

And I'm still so blue  
True blue, true blue  
True blue

I try  
To live in black-and-white but I'm so blue  
I'd like  
To mean it when I say I'm over you
