- I wished on the moon, for something I never knew I wished on the moon, for more than I ever knew A sweeter rose, a softer sky
 On April days that would not dance away
- I wished on the stars to throw me a beam or two I begged of a stars and asked for a dream or two I looked for every loveliness, it all came true
- I wished on the moon for you
- I wished on the moon, for something I never knew I wished on the moon, for more than I ever knew A sweeter rose, a softer sky
 On April days that would not dance away
- I wished on a stars to throw me a beam or two
 I begged of a stars and asked for a dream or two
- I looked for every loveliness, it all came true
- I wished on the moon, wished on the moon for you
- I wished on the moon for you
