You've Changed

Billie Holiday

I've an awfully feelling That this thought that's been a stealin thru my brain Is not to be ignored But to really tell the truth Though I'm not a well known sleuth I honestly believe that you are bored You've changed

That sparkle in your eyes is gone Your smile is just a careless yawn You're breaking my heart You've changed

You've changed Your kisses now are so blase You're bored with me in every way I can't understand You've changed You've forgotten the words, "I love you" Each memory that we've shared You ignore every star above you I can't realize you've ever cared You've changed

You're not the angel I once knew No need to tell me what we're through It's all over now You've changed
