

# I'm So Lonely I Could Cry

Billie Jo Spears

Hear that lonesome whippoonwill  
He sounds too blue to fly  
The midnight train is whinning low  
I'm so lonesome i could cry

I've never seen a night so long  
When time goes crawling by  
The moon just went behind a cloud  
To hide his face and cry

And did you ever see a robin weep?  
When leaves begin to die  
That means he's lost the will to live  
I'm so lonesome I could cry

The silence of a falling star lights up a purple sky  
And as i wonder where you are  
I'm so lonesome i could cry  
And I'm so lonesome i could cry
