

Misty Blue

Billie Jo Spears

Oh, it's been such a long, long time
Looks like I'd get you off my mind
Oh, but I can't
Just the thought of you
Turns my whole world a misty blue

Just the mention of your name
Turns the flicker to a flame
I think of the things we used to do
Then my world turns a misty blue

I should forget you
Heaven knows I tried
But when I say I'm glad we're through
My heart knows I've lied

Oh, it's been such a long, long time
Looks like I'd get you off my mind
Oh, but I can't
Just the thought of you
Turns my whole world a misty blue

Oh, but I can't
Just the thought of you
Turns my whole world a misty blue
