

That Man

Billie Jo Spears

I've got to leave that man alone that makes a fool of me
I've got to leave while I've still got my pride
If I'd stay around much longer it'll be too late for me
I'd better listen to that voice I hear inside
That man doesn't love you girl can't you see he's just using yo
u
That man doesn't love you girl that man ain't the man for you

I'd seen the way he looks at girls with hunger in his eyes
And I felt the coldness of his lips on mine
He still tells me he loves me but I can tell he lies
Cause I hear that little voice inside my mind
That man doesn't love you girl...
That man ain't the man for you
