Woo
Let's go

Maybe another version of me is breathing
Motivation being awakened in me
We'll overlap only the two of us know

Our own conversation
The two sides folded in half
I'm sure I know how
Figure it out, yeah
I need to look you in the eye now

Every night, when I hide my long regrets in the blanket
Hug me (Ooh, woah-oh-oh-oh)
My B-side, when I see you, I can feel
It gets mysterious (Heartbeat, heartbeat)

Flip-flop, flip-flop (Flip-flop)
Blowing hot and cold
You're the only one precious person in the world, you
Tiki-taka, we'll all go well with each other
Flip-flop, flip-flop (Flip-flop)
You're blue, I'm purple
We become one eunoia
You'll be surprised, ow
Will you come to me? Oh

Into the dreamy light, lighting up the darkness
I'm being drawn, oh, baby
This is the world you showed me
You colored my five senses

That day, something of the two of us
The twisted night in the eyes with the sparkling feelings
I sneaked a peek (Heartbeat, heartbeat)
I'll just cry if tears come whatever
Bursting laughter what more do you hold back
(Okay) 'Cause you're me (Okay), 'cause I'm you
(Everything is okay) Hold me tight more, oh-oh

Flip-flop, flip-flop (Flip-flop)
Blowing hot and cold
You're the only one precious person in the world, you
Tiki-taka, we'll all go well with each other
Flip-flop, flip-flop (Flip-flop)
You're blue, I'm purple
We become one eunoia
You'll be surprised, ow
Will you come to me? Oh

In this harsh world
The only hand span of exit is who
The night of an exhausting day
At the end of it, you'll feel relaxed
I reach out my hand to you always, ah, yeah

Flip and flop
Feel free to give vent to emotions like a firework
And then keep the sparkling moment
That will be gone in a flash
You and I 'til we die
To the rhythm clip and a clap
Diamonds in my eyes
Look at me strolling on the street with red lights
The scattered fragment of a sentimental memory is eunoia
Connect the dots (Ooh-ooh-ooh-ooh-ooh)

Hey
Hey

Ooh-woah, ooh

Flip-flop, flip-flop (Flip-flop)

Blowing hot and cold

You're the only one precious person in the world, you
