

## Gotta Work

Billy Bragg

I gotta work or go nuts  
I gotta work or go nuts  
I gotta work  
I gotta work  
I gotta work or I'll go nuts

I get dangerous if I don't work  
I get mean if I don't work  
I go screwball  
Go loco  
I go crazy if I don't work

I hurt people if I don't work  
Kill people if I go nuts  
I hit people  
Scratch people  
Bite people if I go nuts

I gotta work  
I gotta work  
Gotta work or I go nuts  
I go screwball  
Go loco  
Crazy if I don't work  
Hit people  
Scratch people  
Bite people if I don't work
