

Someday Some Morning Sometime

Billy Bragg

Someday, some morning sometime, sometime
I'd like to hold your hand in mine
Someday, some morning, sometime

I'd like to tell you you're pretty and fine
Your face will smile and your eyes will shine
Someday, some morning, sometime

I'll build you a house all covered in vines
I'll bring you a nickel, I'll bring you a dime
Someday, some morning, sometime

Five, six, seven and eight, oh nine
I'll take you down where the birds fly by
Someday, some morning, sometime
