The Man In The Iron Mask

Billy Bragg

When he drops you off, I will not say Who was that who so quickly drove away The things you've done and the places you've been When I open the door for you I will not let them in

As long as you come back to me I will never ask For you I will be The man in the iron mask

You said you love me and it broke my heart I was always your prisoner right from the start The nights you spend without me This house is like a dungeon And you only return to torture me more

You must have your reasons I will no ask For you I will be The Man in the Iron Mask
