

## Train Train

Billy Bragg

Train took my baby away from me  
Tears in my eyes, I could not see  
Oh train train  
Hurry bring my baby back again

I love that woman, you just don't know  
And now that she's gone I'll miss her so  
Why train train  
Hurry bring my baby back again

Then I got this letter she wrote to me  
Says she's coming home, in my misery  
Why train train  
Hurry bring my baby back again
