## **Bobby Franks**

Shave your face/and Darn your socks/and Brush your teeth/and Comb your hair/and Check your tie/and Fix your watch

Somewhere i've been dreaming Of a perfect gift And despite the growing hour I'm still restless

Take a left/make a right Drive all night/never rest Pull him out/push hi in You don't know/bobby franks

Take a piece/and Shine my eyes/and Draw a map/and Curse my thought/and Call your man/and Wind your clocks

Somewhere i've been dreaming Of a lucky boy And despite the growing hour I'm still restless

Take a left/make a right Drive all night/never rest Pull him out/push him in You don't know/bobby franks

Somewhere i've been dreaming Of a super man Who finds his greatest powers Unafraid I'm unafraid/of bobby franks Bobby franks/bobby franks Did bobby ring?
