

ToLoveSomebody

Billy Corgan

There's a light
A certain kind of light
That never shone me on
I want my life to be
Lived with you, lived with you

There's a way
Everybody said
To do each and every little thing
But what does it bring
If I ain't got you, ain't got you

You don't know what it's like
You don't know what it's like
To love somebody, to love somebody
The way I love you

It's the same
I see your face again
I know my frame of mind
You ain't got to be so blind
Am I so blind, blind to believe?

I'm a man
Can't you see?
This is what I am
I live and breathe for you
But what good does it do, if I ain't got you?

You don't know what it's like
You don't know what it's like
To love somebody, to love somebody
The way I love you

You don't know what it's like
You don't know what it's like
To love somebody, to love somebody
The way I love you

To love somebody, to love somebody
The way I love you
