Human Nature

Billy Crawford

Looking out Across the night-time The city winks a sleepless eye Hear her voice Shake my window Sweet seducing sighs Get me out Into the night-time Four walls won't hold me tonight If this town Is just an apple Then let me take a bite If they say -Why, why, tell 'em that is human nature Why, why, does he do me that way If they say -Why, why, tell 'em that is human nature Why, why, does he do me that way Reaching out To touch a stranger Electric eyes are ev'rywhere See that girl She knows I'm watching She likes the way I stare If they say -Why, why, tell 'em that is human nature Why, why, does he do me that way If they say -Why, why, tell 'em that is human nature Why, why, does he do me that way I like livin' this way I like lovin' this way [Interlude] Looking out Across the morning The city's heart begins to beat Reaching out I touch her shoulder I'm dreaming of the street If they say -Why, why, tell 'em that is human nature Why, why, does he do me that way If they say -Why, why, tell 'em that is human nature Why, why, does he do me that way Why, why, tell 'em that is human nature Why, why, does he do me that way Why, why, does he do me that way

I like livin' this way Why... Yeah (Tell them that is human nature) (Tell them that is human nature)
