

Take You to Heaven

Billy Crawford

I can't help myself tonight
I just wanna love you right
So baby tell me what you like
And we can go all the way

If you want it let me know
Let your body lose control
And I'll take you there
If you want it, let me know
Let your body lose control
And I'll take you there

Take you to heaven
Take you to heaven
Take you to heaven
If you want it, let me know
Cause I'm ready to go
Take you to heaven!

Watching the tears swell in your eyes
As I touch you where you like
I love the faces you make
As I take you to the place
Girl, I know just what you like

If you want it let me know
Let your body lose control
And I'll take you there
If you want it, let me know
Let your body lose control
And I'll take you there

Take you to heaven
Take you to heaven
Take you to heaven
If you want it, let me know
Cause I'm ready to go

Baby, don't waste time
Come on put your waist on mine
I'm likin' what I'm seeing, girl
Wanna get lost in your world
Push it back, baby don't be shy (Be shy)
Let me know that your body's all mine (All mine)
Get low on the floor
Drop it down real low
Let's go

Take you to heaven
Take you to heaven
Take you to heaven
If you want it, let me know
Cause I'm ready to go
Take you to heaven

Take you to heaven
Take you to heaven

Take you to heaven
If you want it, let me know
Cause I'm ready to go
Take you to heaven
