

We Will Rise

Billy Crawford

For the families that have lost someone
Don't lose hope the fight has just begun
For the child that sleeps alone tonight
We are with you don't give up the fight

Oh hoh your voice will be heard
We can walk this road together
Oh hoh stand up tall and show the world
We can make it through whatever

(We will, we will rise)
From the shadows of our past
(We will, we will rise)
Our hearts will build to last
(We will, we will rise)
No mountain we can't climb
(We will, we will rise)
Stand tall now
It's our time

Tonight I'm sending out my love to you
I see the hurt that you are going through
Let me help you lift the load you bear
I'm reaching out to show you that I care

Oh hoh your voice will be heard
We will walk this road together, oh yeah
Oh hoh stand up tall and show the world
We can make it through whatever

(We will, we will rise)
From the shadows of our past
(We will, we will rise)
Our hearts will build to last
(We will, we will rise)
No mountain we can't climb
(We will, we will rise)
Stand tall now
Now is the time

(We will, we will rise)
From the shadows of our past
(We will, we will rise)
Our hearts will build to last
(We will, we will rise)
No mountain we can't climb
(We will, we will rise)
Stand tall now
It's the time

(Stand up! Oh)
Shine your light for all to see
(Stand up! Oh)
Show the world who you can be
(Stand up! Oh)
I will catch you if you fall
(Stand up! Oh)

Be brave and stand tall

(We will, we will rise)
From the shadows of our past
(We will, we will rise)
Our hearts will build to last
(We will, we will rise)
No mountains we can't climb
(We will, we will rise)
Stand tall now
It's our time

(We will, we will rise)
Stand tall now
It's our time
(We will, we will rise)
Stand tall now
It's our time

(We will, we will rise)
We will, we will rise
(We will, we will rise)
We will rise, yeah

(Stand up! Oh)
(Stand up! Oh)
(Stand up! Oh)
(Stand up! Oh)
