

When You Think About Me

Billy Crawford

When you think about me

When you think about me
Do you want to get...

When you sleep at night
Does Justin star in your dream
Are you thinking of me all the time
What does it mean
Do you fantasize to your surprise
I'm there for you
Making you realize that deep inside
You want to be my boo
You're still playing games, those childish games
So all grown up
Cause my appetite says too much is not enough
I'm curious I don't mean to make a fuss
I think about you, do you think about us?

Tell me, tell me

Chorus

When you think about me
Do you think about us
Falling in love
Do you want to get with me, with me
When you think about me
Do you think about us
And making love
Do you want to get with me, with me
When you think about me..

When you daydream does J.C stay on your mind
Do you find yourself wishing you were here by my side
Do you wonder if it's possible to get me alone
For you're on my pager or on my telephone
When you're at a club
There's no one else can turn you on
When you look at me
I can tell you want to get it on
I'm curious I want to feel the heat of your touch
I think about you, do you think about us?

Tell me, tell me

Chorus 2x

Do you want to get
When you think about me
Do you want to get with me
When you think about me
Tell me, tell me

Chorus 3x

Do you want to get with me.....
