Title : 3 Wishes
Artist : Billy Crawford
Album : Big City

Well I wish I never met you, Wish I could forget you
Wish there was no one else on my mind
Wish that I could hold you, Wish that I could show you
Wish more than anything you were mine
How could I leave her? How could I deceive her?
She's been the only one by my side
Wish I never met you, Wish I could forget you,
'cause'you're the only one on my mind (on my mind)

Girl, there's no doubt it, you're trouble and
I know it, but I just can't help myself
I love my girl, much too much to throw it in
And put it, in the arms of someone else,
It's what I came here to tell you
Being here has only got me more confused
I get the feeling you can make my dreams come true
If I had 3 wishes, girl

Well I wish I never met you, Wish I could forget you
Just! there was no one else on my mind
Wish that I could hold you, Wish that I could show you
Wish more than anything you were mine
How could I leave her? How could I deceive her?
She's been the only one by my side
Wish I never met you, Wish I could forget you,
you're the only one on my mind (on my mind)

(Now bounce, everybody bounce right now,
everybody bounce right now, everybody bounce right now)

It's work, and it's overtime, it's killing me
That's what I tell her, every time we're meeting up
My boo, 'cause you don't know you're killing me
And I still to it, risking it all for what?
That's what I came here to tell you
Being here has only got me more confused
You're telling me that you can make my dreams come true
If I had 3 wishes girl

Well I wish I never met you, Wish I could forget you
Wish there was no one else on my mind
Wish that I could hold you, Wish that I could show you
Wish more than anything you were mine
How could I leave her? How could I deceive her?
She's been the only one by my side
Wish I never met you, Wish I could forget you,
you're the only one on my mind (on my mind)

Can love someone who really loves you
You can run yourself a dream come true
Like a genie in a bottle you can change my world
If I had 3 wishes girl
