Moments

Billy Currington

I never got a phone call
I never heard a word from you at all
I'll probably send a text soon
I'm probably gonna wait and hear from you

Maybe it's time we just talked straight, oh
It's evident we hesitate, oh

Thought we had a moment we didn't expect
Thought we fell in love, it was so perfect
Fire had that fire, had that burnin' deep inside, yeah
Thought we had a moment, think we should have another moment
Another moment
Another moment

You didn't wanna act cold
I didn't wanna seem like I'm so bold
I wonder what went wrong
You got me thinkin' 'bout it all night long

Maybe it's time we set things straight, oh
How much longer we have to wait? Oh, yeah

Thought we had a moment we didn't expect
Thought we fell in love, it was so perfect
Fire had that fire, had that burnin' deep inside, yeah
Thought we had a moment, think we should have another moment
Another moment
Another moment

Maybe it's time we just talked straight, oh
It's evident we hesitate, oh

Thought we had a moment we didn't expect
Thought we fell in love, it was so perfect
Fire had that fire, had that burnin' deep inside, yeah
Thought we had a moment, think we should have another moment
Another moment
Another moment
