

Gadsden County Line

Billy Dean

Oh oh yeah-ah ohh
Won't you take me back

I grew up beside that shade tobacco barn
On the backside of my grand daddy's farm
Next to the creek where we used to swim
And I learned to play guitar from my uncle Jim

Oh oh yeah-ah ohh
Won't you take me back

Where I fell in love to the sway of Mary's hips
And our first kiss still lingers on my lips
Some things a young man won't ever forget
And I feel you Mary on a night like this

I go back in time
When I laid you down under that long leaf pine
On the banks of Telogia
Where I used to hold ya
That favorite spot of mine
Just inside that Gadsden county line

Oh oh yeah-ah ohh
Won't you take me back

I was seventeen, couldn't wait to get away
Panhandle poor, that sunshine state
I've been a lot of places, but I've been away too long
There comes a time you know it's time to go home

Take me back in time
When I laid you down under that long leaf pine
On the banks of Telogia
Where I used to hold ya
That favorite spot of mine
Just inside that Gadsden county line

You don't know what you love until you leave it
You don't know what you have until you need it

So when it comes my time
Won't you lay me down under that long lead pine
On the banks of Telogia
Just like I told ya
That favorite spot of mine
Just inside that Gadsden county line
Just inside that Gadsden county line

Oh oh yeah-ah ohh
Won't you take me back
Oh oh yeah-ah ohh
Won't you take me back take me back take me back
