Shine On

Billy Dean

If we're to be the light
That shines for all of man
Then how can we light the way

If we don't go to them
I believe to know, God's heart
Is to meet them where they are

Won't you shine on?
Won't you shine on?
You can shine on, shine on

In all that's said and done
And everything you do
Just let your life glorify

The one who shines on you
I believe, we worship Christ
When we show the world, His light

Won't you shine on?
Won't you shine on?
You can shine on, shine on

Shine on, shine on

Won't you shine on?
Won't you shine on?
You can shine on, shine on

Won't you shine on?
Won't you shine on?
You can shine on, shine on
